Student Progress

Throughout the LSI programme, we monitor the academic development and well-being of each and every student carefully. We ensure that every student progresses as quickly as possible and achieves their full potential.

The level reached after studying at LSI depends on a variety of factors:

- Duration of the course – the longer the course, the better the results
- Number of lessons – a more intensive course helps you progress faster
- The language level of the student at entry

Active participation in afternoon social activities, making new friends from all over the world, immersing yourself in the local culture, as well as speaking the target language as much as possible, will greatly affect your achievements.

"When I arrived at LSI, I started in the Pre-Intermediate class. I have moved up three levels and I feel more confident in speaking – and my progress is not over yet!"

LSI Language Learning System

We're passionate about language learning. That's why we're constantly reviewing the latest trends and methodology in the field.

Academic staff from every LSI school participate in the research and development of our programmes. We ensure that the latest theories of language learning are considered and evaluated throughout our centres. That's why every one of our schools is a healthy environment for learning. The following points are fundamental to our language learning system:

Language Immersion

At LSI we believe that the best way to learn a language is to study in the country where the language is spoken. We want you to immerse yourself in the culture and truly 'live the language'.

LSI Levels

Upon arrival at any LSI school, we'll give you a comprehensive language level test so we ensure you go straight into the right class for you. LSI levels have been closely matched to the Common European Framework, TOEFL iBT, TOEIC, IELTS and Cambridge English language assessment examinations. To move up to the next LSI level you need to master our specific 'level objectives', which you can demonstrate by test scores and class participation.

At LSI we understand that some students learn faster than others, so our course is tailored for you as the individual. There are regular opportunities to discuss your progress with your teacher.

Through systematic testing, monitoring your class performance and constant teacher appraisal, the school academic director will track your progress and identify exactly when you have mastered the level objectives and are ready to move up to the next level. This monitoring and testing allows us to grade between and within levels, allowing you to spend more time studying with the students and materials at the level which is right for you.

Latest Materials

We're constantly reviewing the latest materials available for language learning. We provide you with what our academic team have identified as being the very best materials currently available for your level. We are also committed to providing the latest technology, utilising the most cutting edge audio, video and web based resources to bring modern, real world language into the classroom.

Cultural Exchange

As you 'learn and live the language' you will gain a greater understanding of the country in which you are studying. And as our students come from all over the world, our centres are not just places to learn languages, but are also places to meet and share experiences with people from a huge range of backgrounds and cultures.

Quality Teachers

We understand that our students' single most identifiable measure of programme quality is the teacher. That's why at LSI we only work with dedicated, highly motivated teachers, qualified with country specific teaching credentials.

As such we have a systematic programme of teacher development and performance evaluation. All of our students are regularly invited to provide feedback so that we can ensure that your teacher meets your expectations.

Test your language level

Download the free LSI iPhone and iPad app available from www.apple.com

Group Only Junior Centres

All our LSI language centres offer year-round language courses for juniors to closed groups. Study German in Zurich or English in Auckland, the choice is yours.

Zurich

Junior courses are run in a renovated period building located in the trendy Seefeld area of Zurich. We offer residential accommodation at the youth hostel across the lake. LSI Zurich requires a minimum of 6 students per group and early booking is advisable to reserve the accommodation.

We have a selection of activities to choose from but popular excursions include trips to the Uetliberg, Masoala Rain Forest and Rheinfall or exploring the city by bike. A day trip to Europa Park can be organised at the weekend.

London Central

This school is the sister centre to London Ealing and offers group only courses to juniors outside the peak summer months when the London Ealing school is no longer running. The centre accepts bookings from groups of 10 or more students and can arrange homestay accommodation.

Usual activities on our juniors course include trips to the zoo, boat trips and museum visits, but the school is also able to custom make programmes for groups.

Auckland

Situated right in the heart of the city and next to Myers Park, our centre is a bright and welcoming place to study. The school accepts group bookings of 10 or more students. Homestay accommodation is provided with a minimum of two students being placed with each homestay host.

Sample activities and excursions include surfing at Muriwai, horse riding, ferry trips, ten pin bowling and a trip up Auckland's iconic Sky Tower.

Brisbane

Based in the centre of Brisbane, our school provides a cosy, friendly environment for our young learners. The centre accepts bookings from groups of 15 or more students and can arrange both homestay and residential accommodation.

Usual activities on our juniors course include trips to the zoo, boat trips and museum visits, but the school is also able to custom make programmes for groups.

New York

The New York junior courses take place on our campus located to the north of the city just 45 minutes from midtown Manhattan. The courses run during the summer months only. For more information see page 68.

Paris

Our Junior courses are run from our modern, state of the art school premises located in the historic and cultural centre of Paris. We offer residential accommodation close to the school. For more information see page 74.

Courses for Kids and Teenagers

Our language classes feature engaging activities that emphasise communication and the core skills (Speaking, Writing, Reading and Listening) whilst building knowledge of key grammar and vocabulary.

Materials are designed specifically for kids and teenagers and offer interesting project based activities via a topic based syllabus. For language students aged 16-17 we also offer exam preparation in some centres (see our Young Achievers Exam Course).

Classes are held in our modern school buildings. We also use the local city as a classroom. Many lessons are linked to activities where students interact with local people and learn about the history and culture of the location whilst they develop their communication skills.

The scheduling of lessons and activities may vary. For an up-to-date schedule check with the school when booking. Full supervision provided during scheduled activities, class time and in accommodation. Students will travel to and from school unsupervised, often in pairs or small groups.

With three afternoons and a full day at the weekend for activities and excursions, there is still a great balance and plenty of time for fun, getting out and about and exploring.

Our school in Toronto is an approved testing centre for the TOEFL Junior English tests and students from the age of 11 upwards can take the test. Contact the school directly for available test dates.

"I found the school really good, LSI teachers are brilliant. I'll miss everybody and I think I'll come here again!"

Student Welfare

The safety and well-being of students in our care is our top priority. All LSI centres work with local and national agencies to ensure that we maintain the highest industry standards in safeguarding and child safety.

Students are supervised both in the classroom and on social activities. School staff are available to both students and parents at all times. LSI also provides trained welfare officers in all our schools to offer any additional support required by the students.

Security is also a priority when selecting the right kind of accommodation for our Junior students. LSI homestays are carefully selected and regularly visited by a trained member of staff, while our student residences provide 24 hour supervision.

In Canada, for students under the age of 18 travelling without a parent or guardian and coming from countries requiring visas to enter Canada, Canadian embassies may require custodianship forms. LSI offers custodianship services.

To ensure student welfare there is a 10pm* curfew, unless students are on a supervised LSI activity. Valuables such as passports and airline tickets may be left with the centre manager on the student's first morning, to be kept securely locked in the school.

Student Welfare & Safeguarding

- School Student Welfare & Safeguarding policies and procedures are evaluated by local accreditation agencies
- Each school has dedicated Student Welfare & Safeguarding Officers
- LSI homestays and staff are subject to background checks
- Students have strict curfew times
- The school has a 24 hour emergency telephone number
- Students must sign a code of conduct. This ensures safety, enjoyment of the course for all participants and protects against bullying, both in school and on-line

Please note, students are not supervised by LSI staff on journeys to and from school and on journeys home from activities.

Social and Cultural Programmes

To compliment our language programme for kids and teenagers, we offer an exciting mixture of fun social activities to make sure your child gets the most from their stay.

These fun, educational activities ensure that our young learners develop their language skills both inside and outside the classroom. They will discover more about their host country, the culture and people. They will mix with their peers from around the world, making new friends and practicing the language in a natural environment.

Our structured activities are fully supervised allowing parents and guardians to have complete peace of mind. Social programme leaders are selected for their enthusiasm, energy and caring attitudes and crucially enjoy working with kids of all ages. In some locations, students on the residential and non-residential programmes take classes and activities together. All residential programmes include additional evening activities.

Homestay Accommodation

Our students stay with carefully selected homestay hosts in the neighbourhoods around the language school. Some hosts are further away, but commutes are generally simple and will be explained on the first day by homestay hosts. Meals are provided every day and laundry, towels and bed linen will be changed weekly.

Students stay in twin rooms and are matched by age and gender. When possible, we match students from countries where different native languages are spoken. If we have an odd number of students booking twin rooms, it is possible that a student may stay in a single room for no added cost. If you would like to book a single room, this may be available at some centres. Please contact the school for further details.

Residential Accommodation

LSI operates residence based summer camps for kids and teenagers in a number of locations around the world. All our residences are modern, comfortable and safe, conveniently located in and around city centres. Students stay in fully furnished, single or shared rooms. Most bedrooms are singles with private, en-suite bathrooms.

LSI staff also live in the residences, providing 24-hour care. The staff-to-student ratio is high and we are always available if you have any questions or need help. Activities are organised for students staying in residential accommodation on most evenings.

Lessons may take place at the residence or at a nearby year-round LSI school. Residential accommodation is recommended only to independent students who are mature and responsible. Please add a note to your enrolment if you prefer a certain room type.

Family Programme

LSI Family Programme

Designed for parents who wish to combine a family holiday with their language studies, the LSI Family Programme allows parents to choose from a wide selection of adult courses while their children follow one of LSI's specialised language programmes for juniors. Classroom activities and teaching methods are specially adapted to suit both adults and children, ensuring that the whole family will have fun while learning.

The family programme is offered in all LSI schools where the Juniors programme is run.

LSI Family Programme for Younger Juniors (6–11 years)

For our youngest students (6 -11 years), LSI runs a summer family programme at San Diego, Toronto, Brighton, Cambridge (9-11 years) and London Hampstead. A winter programme is also available at London Hampstead and San Diego. In most locations, the programme is offered on a course only basis except for Cambridge where it is offered with optional activities. Our school in San Diego can also organise an activity package on request.

Depending on the family size and availability, LSI can organise accommodation in a homestay or in apartments. Our centre in San Diego also offers an on-site child care option for children under 6 years of age with qualified teachers who will provide age-appropriate lessons, activities, and crafts in a fun and nurturing environment. The younger children may also accompany their siblings and parents on activities and excursions, such as the San Diego Children's Museum, Balboa Park, and San Diego Zoo.

"A very good course and a creative way to improve your English, with lots of kind and helpful teachers!"

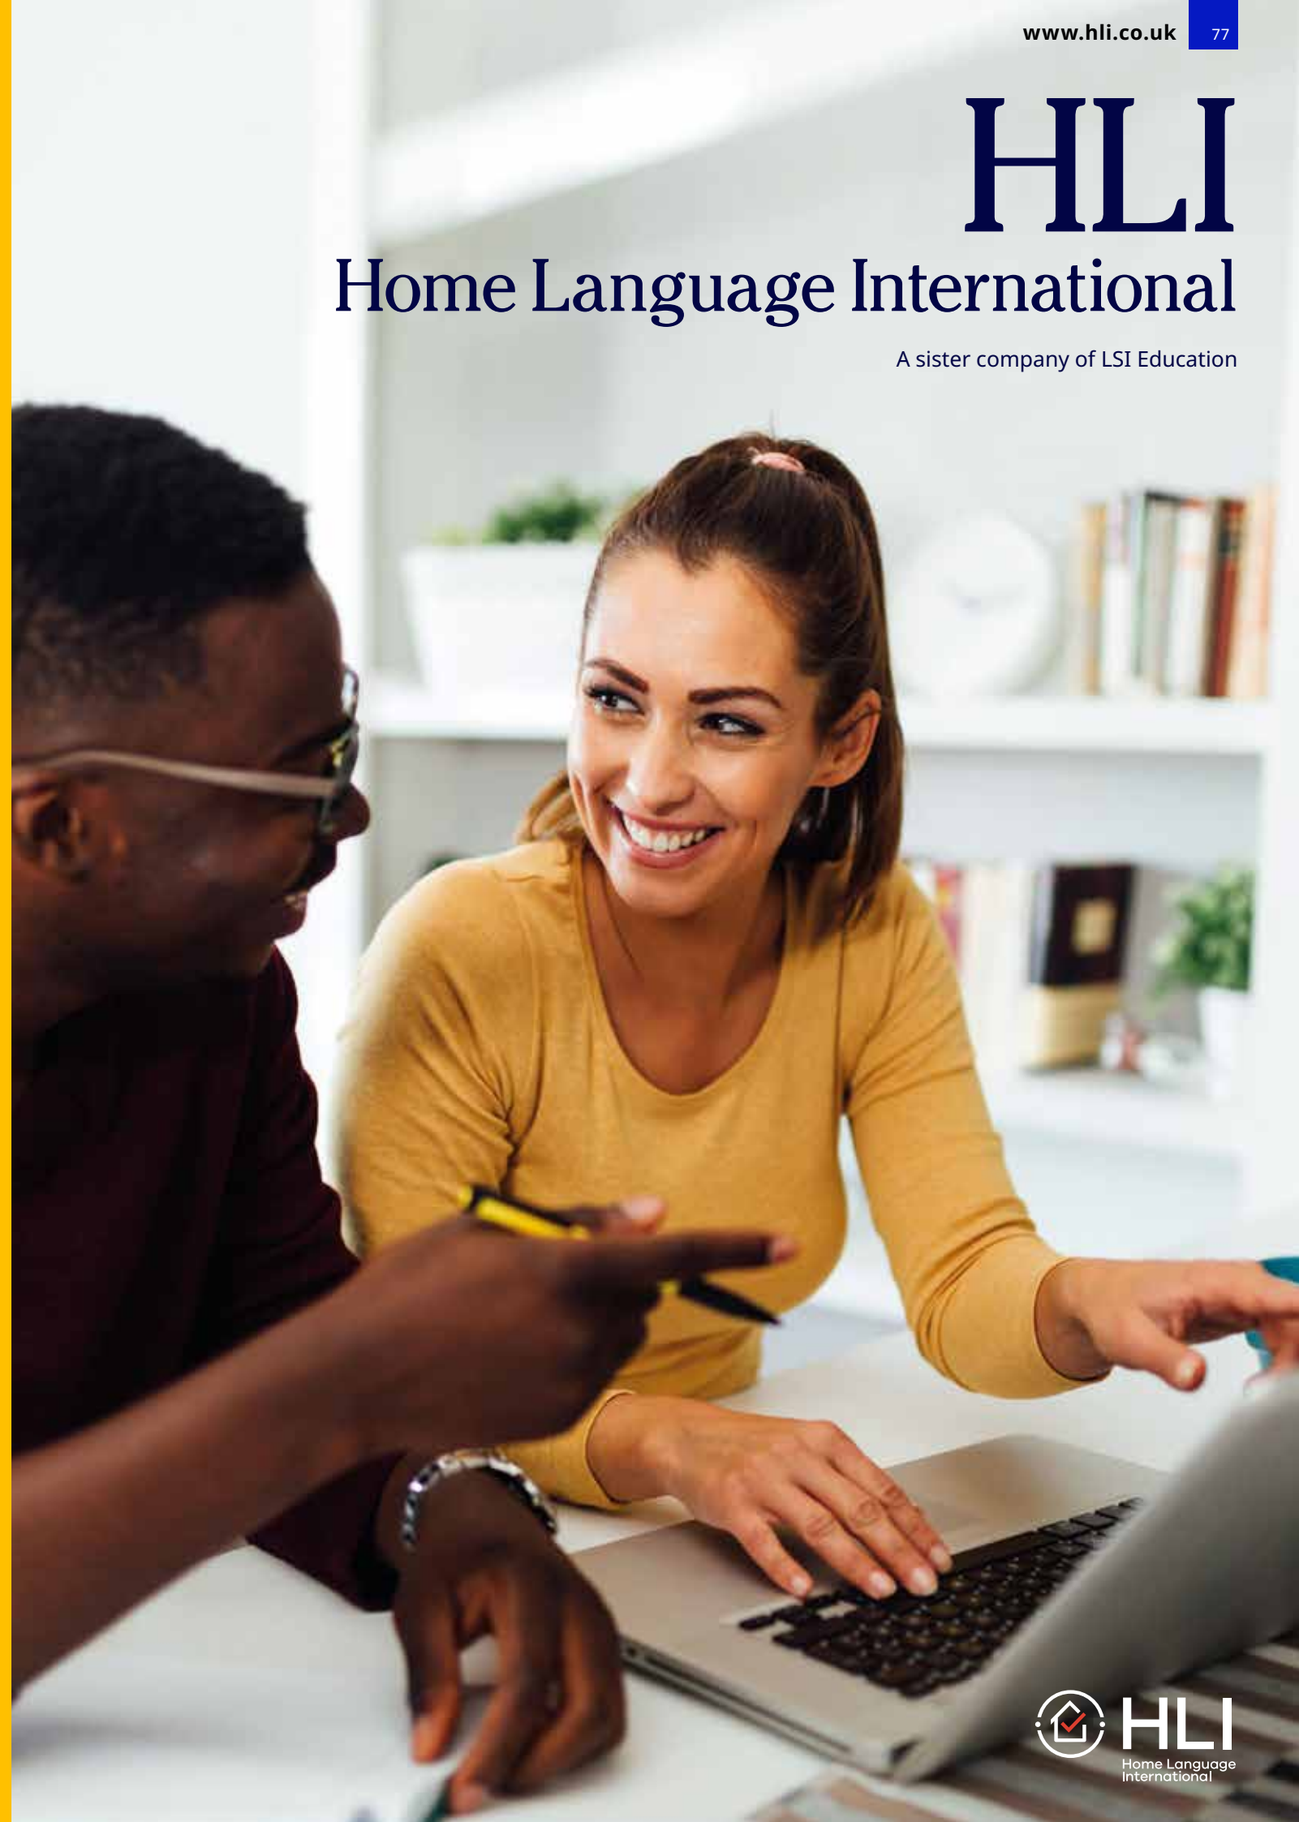
Home Language International

A sister company of LSI Education



Live and Study in Your Private Teacher's Home

For more than 40 years Home Language International (HLI) has been offering language immersion programs in over 20 languages and 30 countries worldwide. You live and study in your teacher's home, receive private language lessons, share 3 meals a day with your host family, and continue to use the language during the rest of your stay as you share the daily life of the family.

Why Live and Study in Your Teacher's Home?

Fast progress

Going on a homestay with one-to-one lessons is the fastest way to learn a language. You are the only student and you cannot speak any other language than the one you are learning, this is a natural and efficient way to learn a language.

Full-immersion

On a full-immersion programme you're learning not only during lessons but also by practising the language during meals, activities or during the daily family life. One big advantage of this language programme is that you live in the home of your teacher, so that learning doesn't stop at the end of the lesson.

Personal

Another advantage of a one-to-one homestay is that you can choose your dates (from Sunday to Sunday) any time of the year and for the duration you want (minimum one week).

Private language lessons

Your teacher prepares the course for you alone. The lessons are completely personalised so your teacher will focus exactly on your needs and objectives. You can choose 10h (combined with activities or cultural excursions), 15h, 20h, 25h or 30h per week of one-to-one lessons and stay the number of weeks you wish. Whether you are a complete beginner or highly advanced, the lessons are adapted to your level and your requirements.

Our host teachers

All of our teachers have either a recognised teaching certificate and/or a university degree (or equivalent). They have been visited by our Local Organisers which means that their qualifications have been verified and their homes thoroughly inspected.

We have more than 2,000 experienced teachers worldwide. Special attention is given to match your interests with those of the host family.

Our Local Organisers

Every destination we offer is supervised by a resident Local Organiser whose job is to monitor the progress of each student and to make sure their experience with us is both enjoyable and successful. A phone call to our Local Organiser brings an immediate response and expert help and advice are given readily for even the smallest problem.

Destinations

Choose from over 30 countries worldwide. Visit www.hli.co.uk for a full list of destinations.

Adults and Professionals

Our Classic programme is perfectly suited for adults and professionals looking for a fast and efficient way of learning a language in a comfortable and welcoming environment. Whether you wish to improve your fluency or learn a new language, our programmes are adapted to your needs. Some of our teachers have knowledge of subjects such as business, computing, engineering, tourism, etc. They are able to offer specialised courses using the vocabulary of these subjects on request.

"I just wanted to say I had a fantastic holiday. The family were very kind to me and my teacher was first rate."

Children and Teenagers

Children and teenagers are placed with carefully selected friendly host families who are experienced in teaching young students. Our programmes with activities, sports, cultural excursions, and farmstays are highly popular with teenagers and children who can learn whilst having fun. We also offer a "cocooning" (closer supervision) option specially designed for up to 12 year olds, and students who are scared of leaving home for the first time can choose to share with a friend or parent.

Choose Your Programme

The following options are available:

Classic Language Programme

The Classic programme completely immerses you in the target language and culture. You enjoy full board accommodation, private language lessons, and free time outside lessons and mealtimes to explore on your own or share the daily life of your host family.

Language Programme with Activities

Our programme with activities offers you the unique opportunity to put your language skills to immediate use after your lessons with activity based learning. Activities may include visits to local places of interest, national parks, shopping, cooking traditional foods, afternoon tea, bowling, mini-golf, swimming, board games, etc. These will depend on the family location and local events as well as your personal interests.

Language Programme with Cultural Excursions

We have combined your language course with trips to discover the sights and customs of the country you are visiting. The cultural programme usually includes 3 visits with your teacher or any adult member of the family. Where there is a choice of visits these will depend on family location and your personal preference.

Activities without Lessons

For students who do not want formal lessons but who wish to improve their fluency in a full immersion environment.

Lessons Only

You have already organised your own accommodation and would like a teacher to come to you. You must stay in a large town offered by us and choose a minimum of 15 hours of language lessons per week.

Farmstay

Stay with your host family and experience traditional life on a working farm. A unique opportunity to improve your English and take part in the farm activities.

Or add your own options to suit your requirements

All programmes include the following:

- Fully-inspected family homes
- Private comfortable bedroom
- 3 meals a day with your host family
- Qualified, experienced host teachers
- 10-30 hours per week of one-to-one language lessons + the chosen activities (ALL costs included)
